Confusion Matrix of Adaboost Classifier

Confusion Matrix of Catboost Classifier

Confusion Matrix

Confusion Matrix of Random Forest

Correlation between V20 and V7

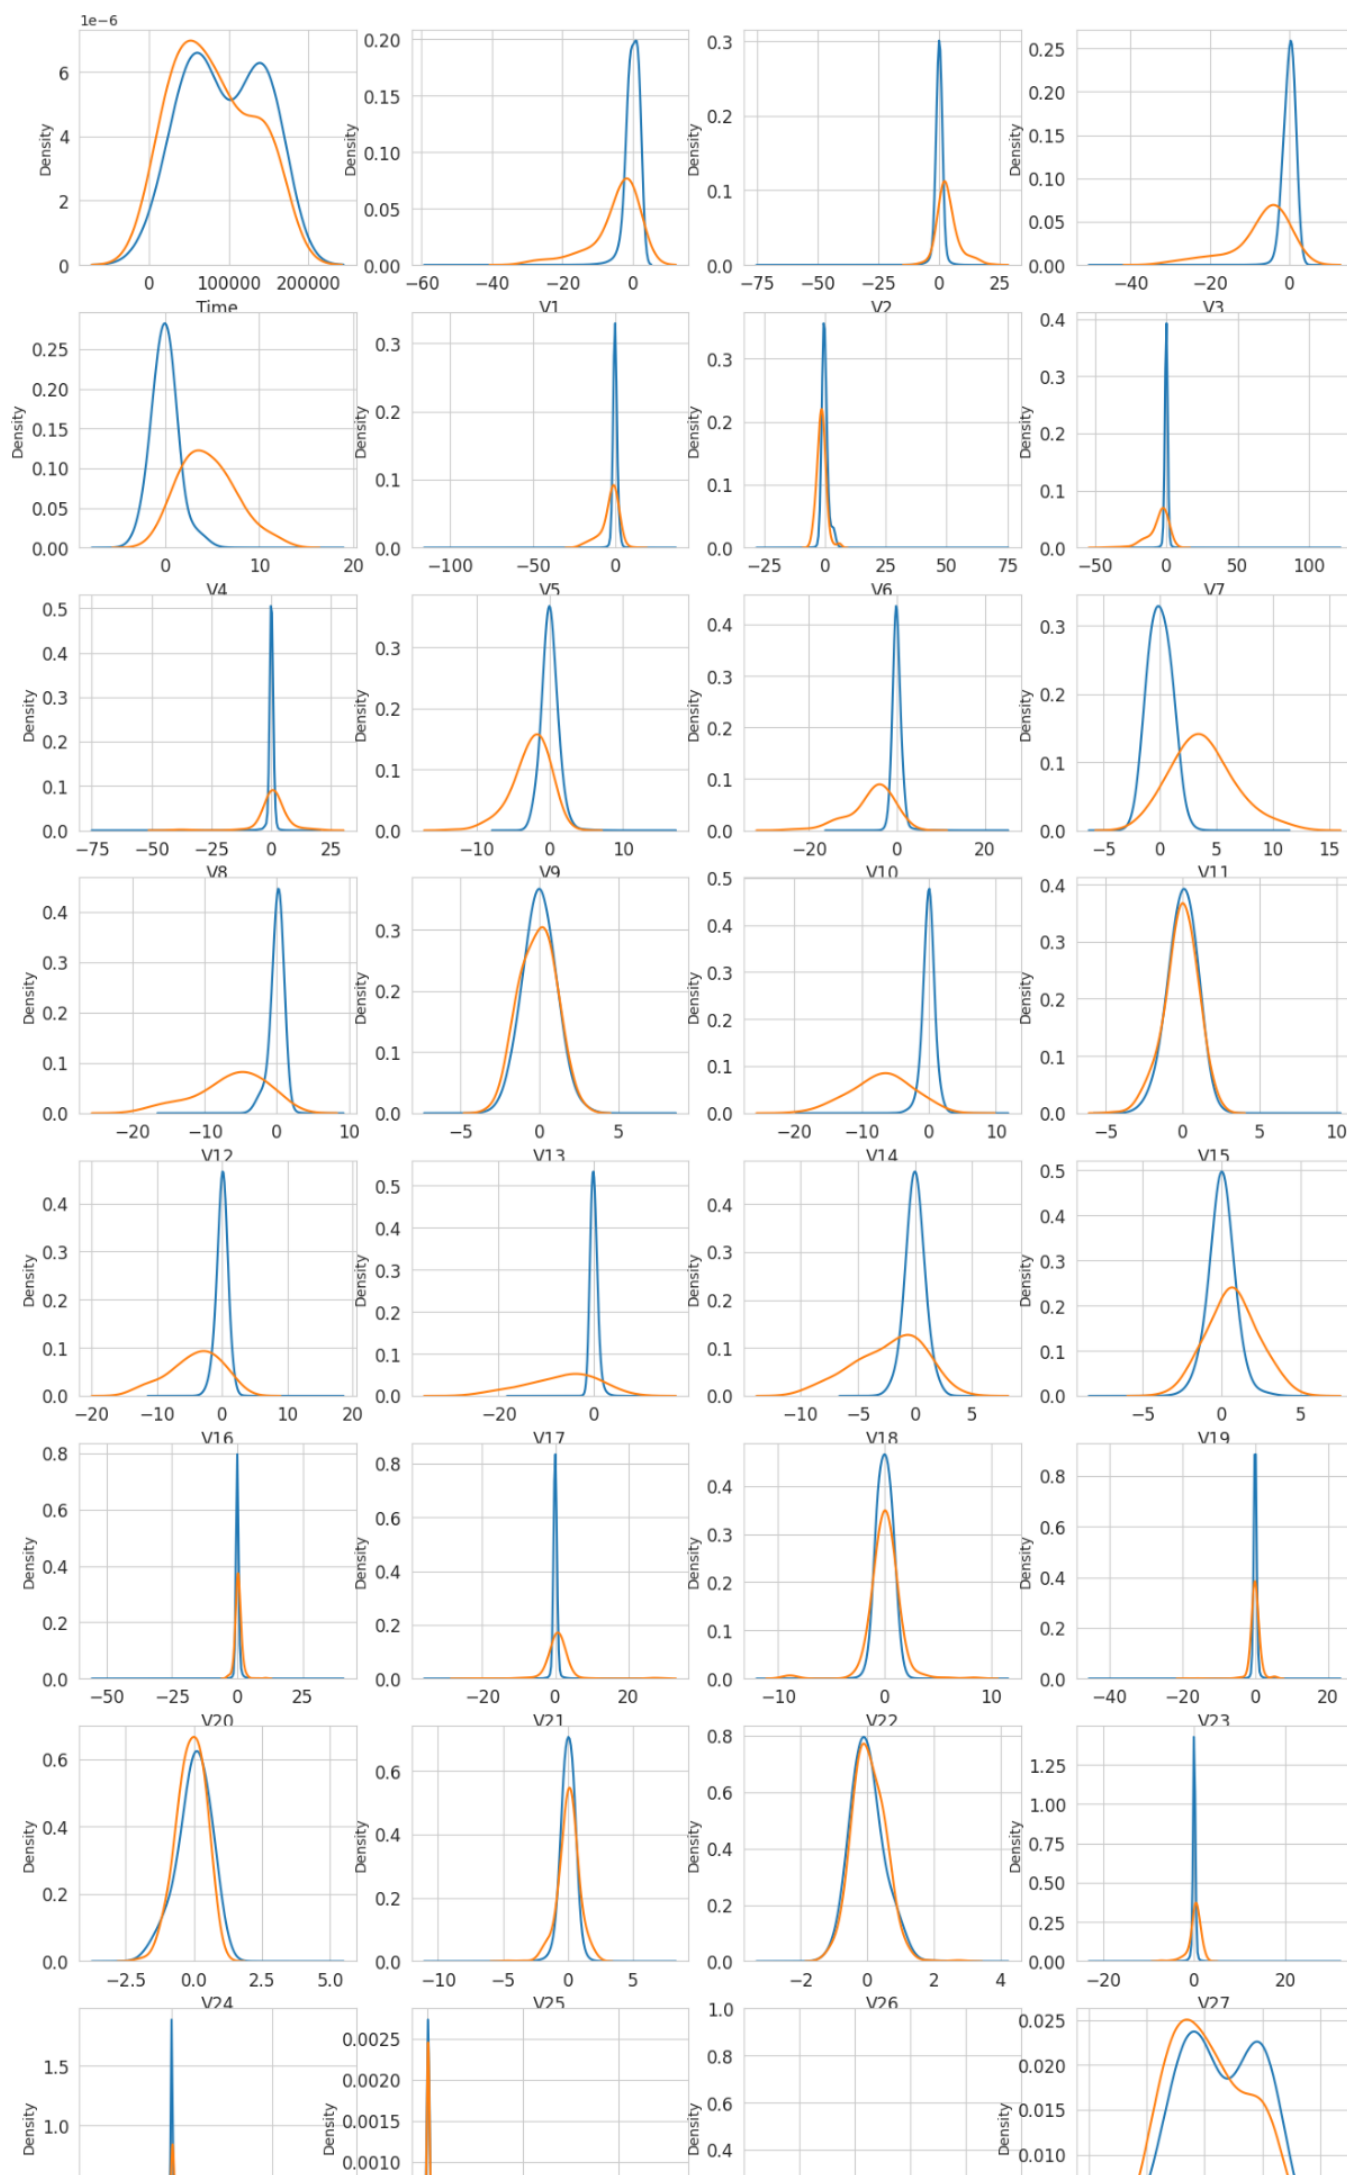

Credit Card Transactions features correlation plot (Pearson)

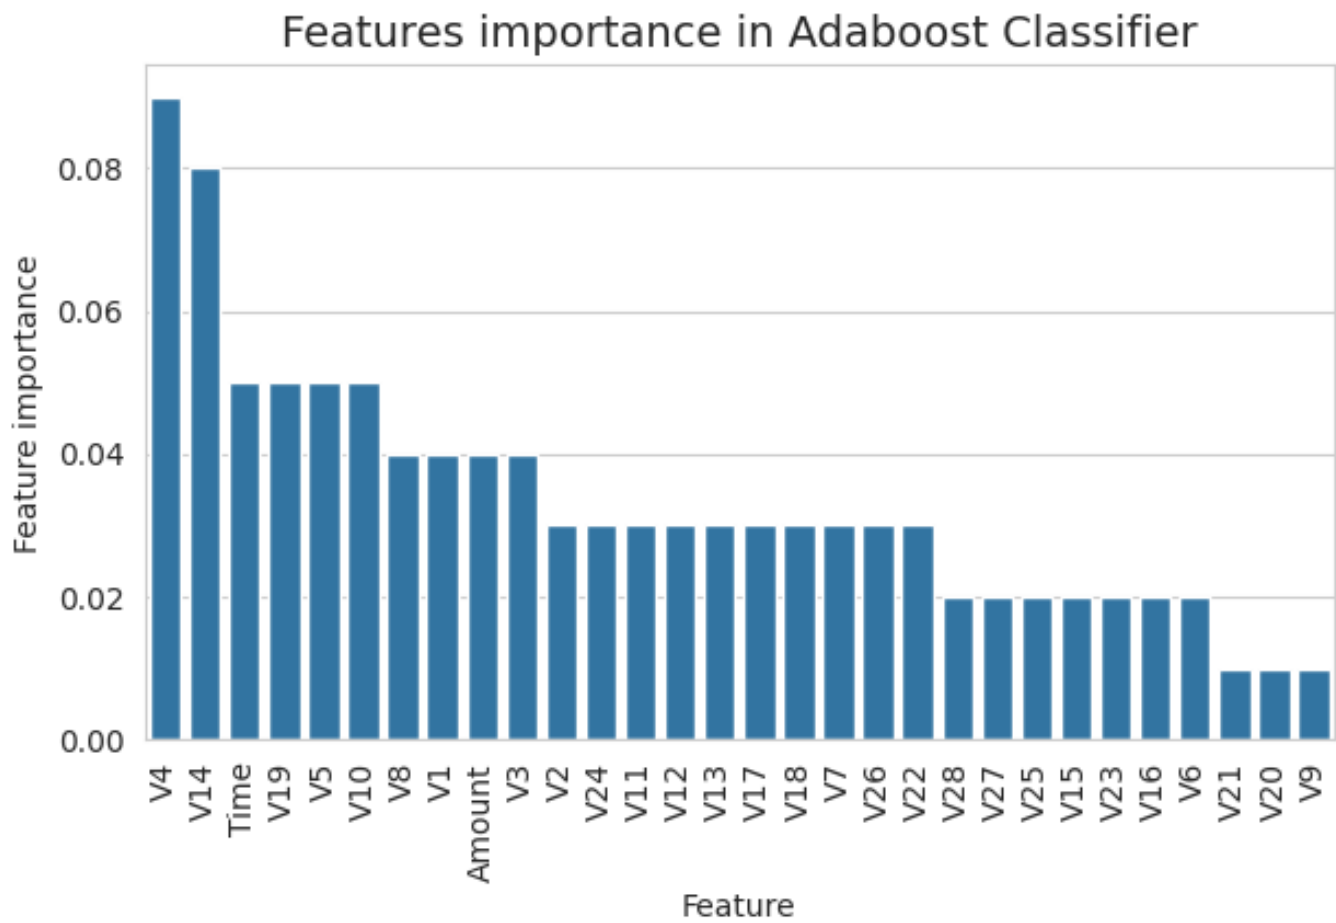

Credit Card Transactions Time Density Plot

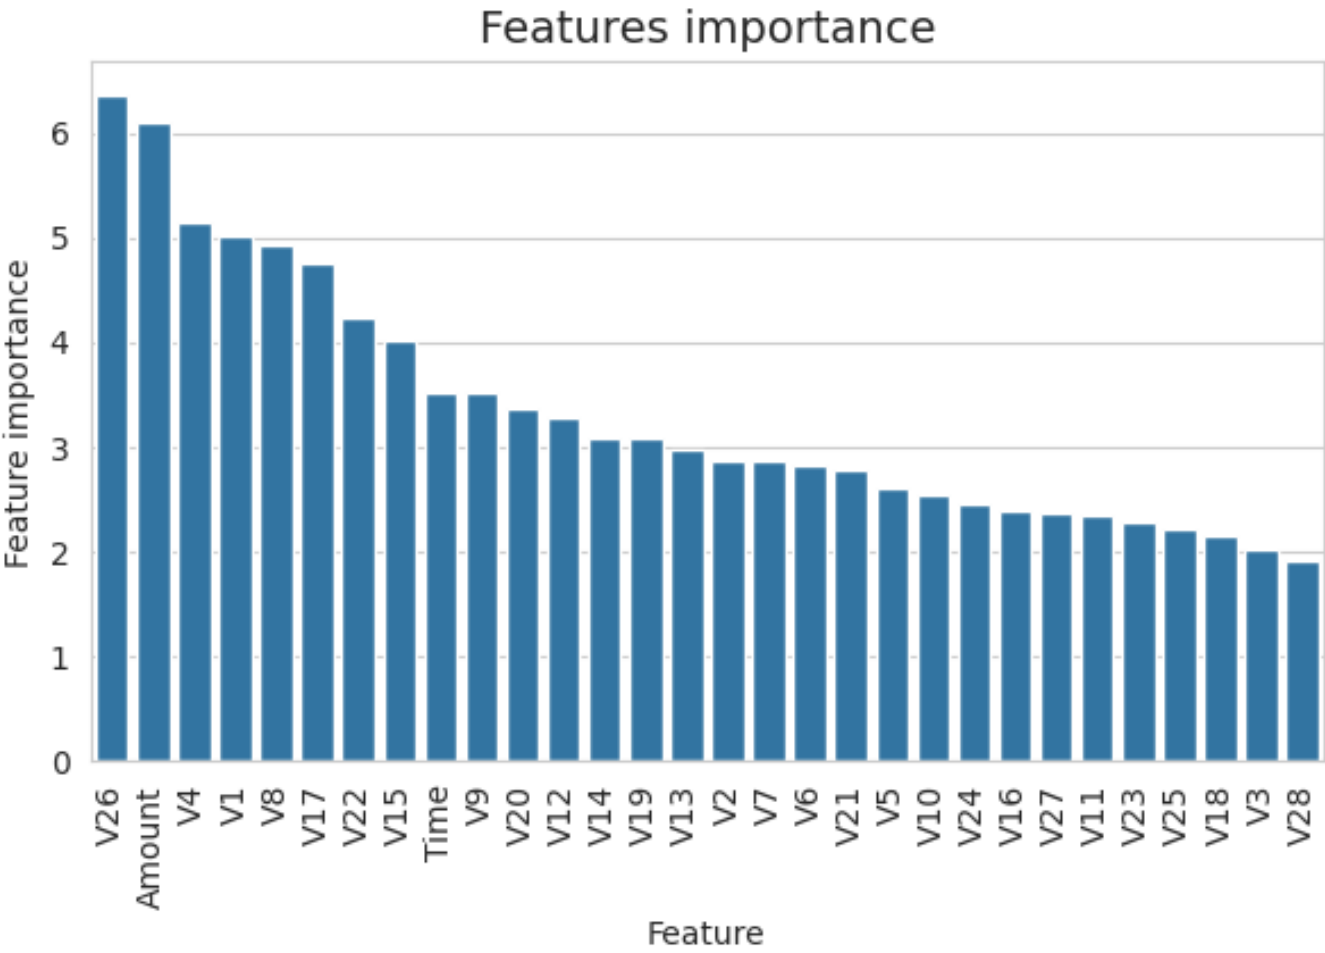

Feature Density Plot

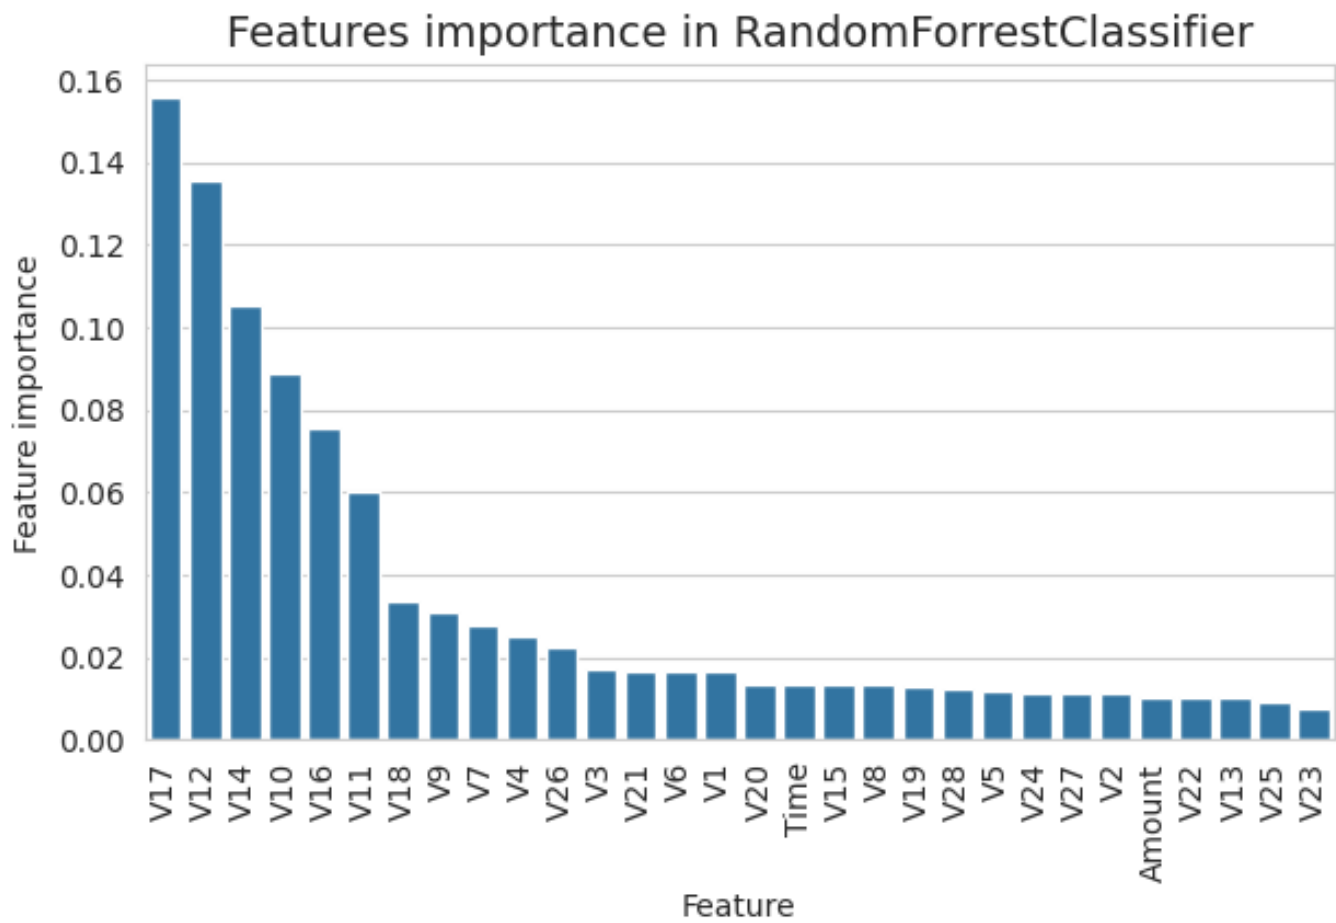

Features importance in Adaboost Classifier

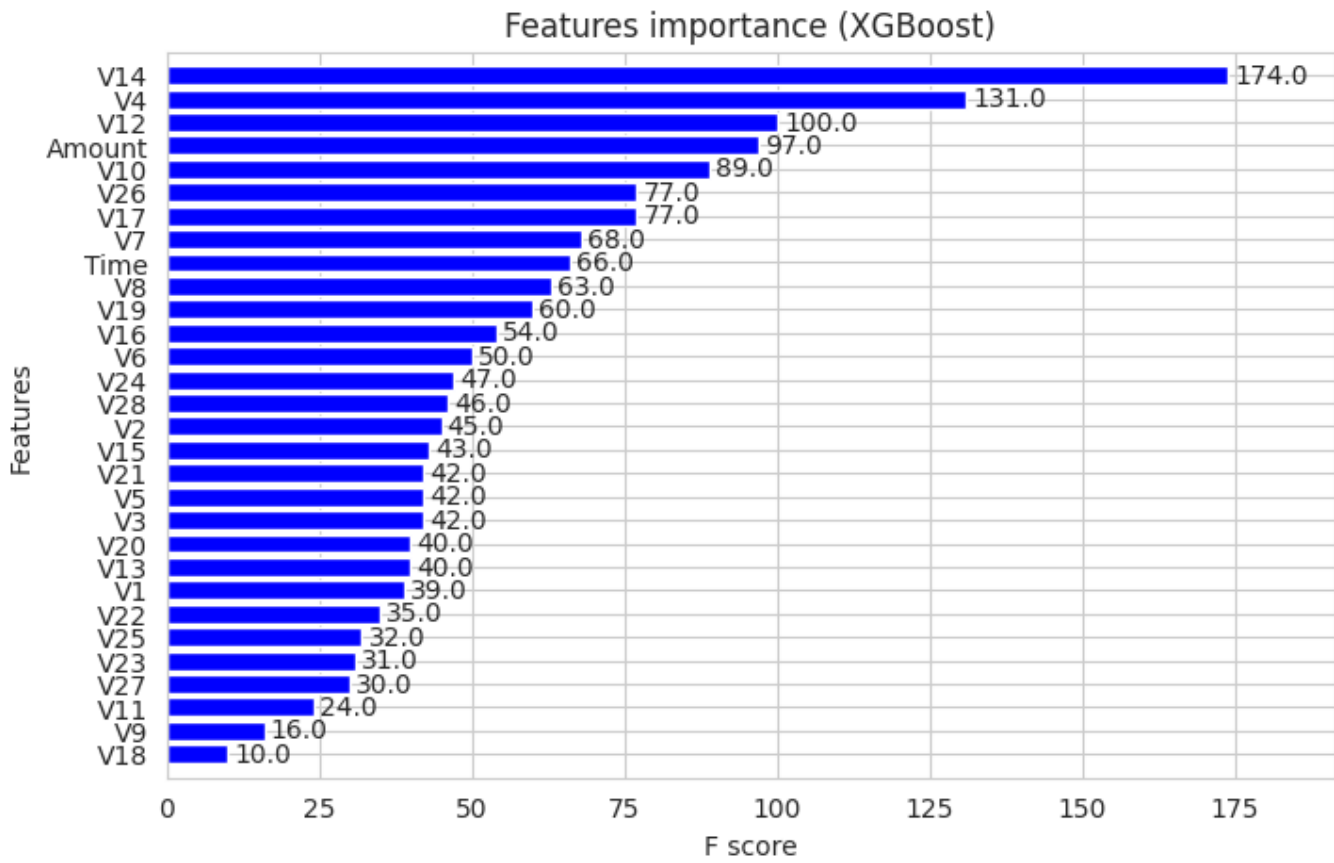

Features importance in Catboost Classifier

Features importance in RandomForestClassifier

Features importance in XGBoost Classifier

Inverse Correlation between V20 and V7

Normal vs Fraud Average no. of transaction

Average Amount of Transactions

Normal vs Fraud Max ammount of transactions

Maximum Amount of Transactions

Normal vs Fraud median ammount of transactions

Median Amount of Transactions

Normal vs Fraud Min ammount of transaction

Minimum Amount of Transactions

Normal vs Fraud Total no. of transaction

Total Number of Transactions

Normal vs Fraud transaction Total Amount by Hour

Total Amount

Scatter diagram of ammount vs time

Scatter Diagram of Amount vs Time
